**Traveling to TR Custom Woodcrafts:**

Unfortunately, google maps does not recognize our US postal service address, 69 River Road, Barkhamsted, CT. Instead, it defaults to West River Road or East River Road. This can be frustrating for deliveries and customer visits.

If you type in 69 River Road you will be sent to the location shown in **BLUE** in the middle of a state forest. Our actual location is about 2 miles south, shown in **RED**. See Below

**Solution:**

Type in TR Custom Woodcrafts and it will bring you to the correct red pin
